April 2010

Dear Community Member,

Greetings from Tap's Community Brotherhood (TCB)! With your continued support, TCB has begun its fourth year of working to achieve improvements in youth health, education and community involvement through sports, scholarships and other similar endeavors. We are excited for a new year and new opportunities to invest in our community by assisting and developing youth-oriented programs.

We take great pride in creating a positive environment where community members can come together and enjoy themselves. Donations help fund TCB's community events such as the May Madness Three-on-Three Basketball Tournament and the Back To School Picnic. Our May Madness tournament grows larger and larger each year, and on May 8, 2010 we hope to continue this growth with our fourth annual tournament. Also, in August we will once again hold our Back to School Picnic in Nicolet Park where we give away free school supplies to all students who come join us for a fun day of food, friends and family. With your help we can make the magnitude and impact of these events even greater.

Through our Community Outreach program, TCB builds strong relationships with and supports other organizations that share our concern for the development of the youth in our community. Thus far in 2010, TCB has committed contributions to The Pat Kepferle Friendship Memorial Scholarship Fund and Project Possible, a service-learning project created by students at Great Mills High School. This will be our second year supporting Project Possible, and we are extremely excited to support such a committed group of students in our area. We are continuously assessing our community needs. If you know of a youth oriented program that needs assistance don't hesitate to contact us at [outreach@thetcb.org](mailto:outreach@thetcb.org) to find out how to apply.

Without the strong support of family and friends of Tap's Community Brotherhood none of this would be possible. Any contribution towards our efforts would be greatly appreciated. We understand the economy has taken its toll on many households in our nation over the past few years, so we are asking that you support our mission in any way that you can. We always welcome and need monetary donations if you are able, and donating your invaluable time to TCB is just as essential as financial donations to the achievement of our mission. Check out TCB Year in Review (included) to see photos and learn more about our efforts in 2009, and you may also visit us at [www.thetcb.org](http://www.thetcb.org). Donations can be made online by clicking on the Donate Now button, or by filling out the attached form and mailing check or money order to P.O Box 905 Lexington Park, MD 20653.

We are currently seeking volunteers to help us during the month leading up to the May Madness Tournament as well as during the tournament. If you are interested please email Kaci Kepferle at [events@thetcb.org](mailto:events@thetcb.org) and tell us a little bit about yourself and how you would be interested in helping. Thank you for your time and consideration, hope to see you soon.

Sincerely,

Tap's Community Brotherhood, Inc.
