Working With GMHS Project Possible

In the fall of 2008, TCB created a special ongoing partnership with a student service group called Project Possible at Great Mills High School. TCB supports the students in their efforts to raise money to build a school in Latin America. The students earn TCB's donation in increments based on hours of community service they perform above their graduation requirement. Many of the students also volunteered at May Madness & the Back to School Picnic. At the end of the year, as an added incentive, the top community service performer receives a \$500 scholarship to the college of their choice from TCB. Pictured above, middle, is 2009's scholarship recipient, Shefali Shah.

In 2009 TCB Supported:

- The Pat Kepferle Friendship Memorial Scholarship
- Project Possible at Great Mills High School
- Tri-County Warriors Amateur Athletic Union Boys Basketball Club

Many more organizations will benefit from your donations in the coming year!
